RE: Revised IHSS 121 and 148 Sampling and Analysis Plan Approval

Dear Ms. Sarter:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division (the Division), has reviewed the revised *Soil Sampling and Analysis Plan to Characterize Individual Hazardous Substance Sites (IHSSs) 121 and 148 at Building 123* (hereafter called the Sampling and Analysis Plan) submitted for the Rocky Flats Environmental Technology Site dated May 20, 1998. The original Sampling and Analysis Plan was approved by the Division on April 10, 1998. The SAP has been revised as a result of discussions between Kaiser-Hill and the Division. The Division, as lead regulatory agency, hereby approves the attached Sampling and Analysis Plan.

If you have any questions regarding this matter, please contact Chris Gilbreath at (303) 692-3371 or Carl Spreng at (303) 692-3358.
